Things You Might Want to Know

Norma's is locally owned by Craig and Vicki Forster. We moved here in 1989 from Fairbanks, Alaska where we were both police officers. Vicki has a passion for animals and opened Northwind Pet Care Center in 1991. See northwindpetcarecenter.com. Norma's was purchased from Phil and Norma Swenson in 1997. The I-5 location (formerly Tiny's Burgers and Gift Shop) was purchased in Sept. 2005.

We consider ourselves patriotic supporters of our military. Because we are at war and are located near the military installations, we decided to do a patriotic theme of red, white and blue.

Menu Pricing

Our policy is to provide the public with a safe and clean environment where they can enjoy quality food, service and atmosphere at reasonable prices. Keep in mind, much of what you purchase has perceived value. The latte that was made at 30¢ and sold at \$3.00 is a prime example. Without a perceived value and those who are willing to pay the price for service, restaurants and latte stands would cease to exist.

As of January 1, 2009, the Washington Minimum Wage was set at \$8.55 per hour, an increase of 48¢ per hour. Our minimum wage is based on inflation and changes every year. (Info for those of you from out of state.) Norma's will pay an excess of \$10,000 in additional wages for 2009.

Preparation for this menu began in March 2009. We have experienced price reductions from suppliers and believe a reduction in pricing can be sustained through the next quarter. We are pleased to bring back the very popular Combo Meal. Individual items have been reduced and drinks have been reduced in an effort to provide a value meal.

Norma's employs an average of 55 people, full or part time.

Sunday Breakfast

Sunday breakfast will end at noon. Yes, that is a period! At this time we are not equipped to do lunch and breakfast items at the same time.

Split Plate Charge

A 2.50 charge will be added to meals that are split by kitchen staff. When done in the kitchen, portions are made to balance and additional portioning may be added. There is no extra charge for extra plates if you wish to split meals at your table.

Substitutions

The answer is yes! What's the question? An upcharge may apply to some requests.

Child Clean Up Charge

We have all seen the mess youngsters can make and we understand, but some people's kids! Well, what can I say, except we are going to have to charge you. 5.00 and we will clean it up for you. We understand that you are busy and need to get going. So, don't be mad, be glad! We're here for you!

We no longer accept checks.
All major credit cards accepted.
Don't forget Norma's Souvenirs!
